RE: Satellite Antenna Installation at _____

Dear _____:

It is my desire to install a small satellite antenna at the above-referenced premises which I lease from you in order to permit reception of a new television service called "TV JAPAN" and additional TV programs in connection with TV JAPAN. TV JAPAN is provided by DISH Network, a direct Satellite TV Service distributed by EchoStar Communication Corporation which offers a wide variety of American and International channels. This letter is written to request your permission for such installation.

The satellite antenna is a small dish antenna, measuring 18 ~ 20 inches in diameter. The equipment would be installed using a wall mount or roof mount sometimes a ground mount depending on reception location, and cabling would run into the house in a fashion similar to a standard cable television installation.

If permitted by you to install the satellite television equipment, I agree that I shall indemnify you and hold you harmless from and against any and all claims, damages, and liability arising I any matter from the installation and use of the satellite television equipment.

I realize that you may have questions regarding this matter and I invite you to call me at _____. Once all of your questions are satisfied, I would request that you sign the bottom of this letter and return it to me at your earliest convenience.

Your attention and consideration in this regard is very much appreciated.

Sincerely,

The undersigned, _____ is the owner of the above referenced premised and by this signature permission is hereby granted to _____ to install and operate the DISH Network/TV JAPAN satellite television system at such premises under and in accordance with the terms of this letter.
